3rd annual Wee-Walk

*Saturday, August 21, 2010  
A-Park, Rohnert Park*

This special walk-a-thon is scaled down for our wee ones -  
children walking for children.

(Please feel free to bring your grown-up friends too!)

The walk will take place from 10:30-12 at A-park over two courses.

One large walk trail will go all the way around the park..  
the other will be contained to a smaller circle for younger children.

ELI will have a Jumpy and many fun activities for the kids!

There will be booths from the community businesses and non-profits handing out  
information and some free give-aways.

Volunteers for the day of the walk are needed.
