

BABY'S PHOTO BOOK

**Help your child
create a special
family album
book**

What You'll Need:

- Photographs of family members
- Photo album
- Stickers

What To Do:

1. Make a family photo book of the people in your child's life.
2. Label the photos with people's names.
3. "Read" the album with your child.
4. As your child's language skills develop, write down any words or phrases or stories that he/she tells you about the people in the book .

**This photo book will be a record of
his/hers verbal growth.**
